

Global Hand Washing Day Song

(To the tune of twinkle, twinkle little star)

Wet your hands, Turn off the tap

Use some **soap**, Wash front and back

Scrub together, Scrub, scrub, scrub

Wash away the germs, Rub a dub

Rinse your hands they're nice and

clean

Shake them in the air, now scream

‘No Germs on Me!’

(holding hands in ‘No germs on me’ way)

(Scream!!)
